

Auf Wiedersehen!

Al Martino

I'll do it just the way I'm
I'll do it just for you
And all of my heart is in your hands
I'll never make you blue
'Cause every step I'll go with you
And no regrets like others do
I'll do it just the way I'm

Oh every single day
I can't deny I feel the pain
I know it is hard to say
And every step
And that's no lie
Oh, it's a step to paradise

Auf Wiedersehen
I say goodbye
It's just farewell
Baby, don't cry
Auf Wiedersehen
Don't be afraid
I'll see you baby
Oh, it's not late

Oh what you see is get
I'll hold your hands tonight
Sometimes this world will drive me mad
Sometimes love has no pride
But I'll come back
Oh, can't you see
My love's for eternity
