

Una canzone nel blu

Al Martino

I'll never say goodbye
Oh, I'll cry if you go away
Baby, take my hand
Our love is here to stay
Tell me that we'll be friends
We, baby, we can try oh, for a while
Don't let this sweet love die
Too good to be true
I don't know the reason why
Breakin up is hard to do

Una canzone nel blu
It's the song for me and you
Souvenirs from paradise
Oh, I see them in your eyes
Baby, this is heaven too
Take on my love for FREE
Oh, just for me

I'll never tear apart
Baby, can't you see
I'll never lock my heart
And I'll never throw away the key
How many tears you hide for your pride
This love will find a way
Love's is not a game
Come baby make my day
Oh, don't leave me again
