

What Happened to Marie

Al Martino

Baby say that you are mine
Till the end of time
Don't say it's over
Oh give me a chance for a new romance
Don't say it's over
Tell me I'll never lose you forever
Baby, hold my heart

What happened to Marie ?
She was my eternity
You can put your arms, baby, around a memory
Oh, when I met Marie she was my destiny
It's not a game for me
Baby, don't set me free

Have you ever been blue ?
Girl, I'm missing you
Say it's not over
May I sleep in your dream ?
Baby, oh it seems
That it's not over
Feel my emotions
And my devotion
Baby, hold my heart
