

## Drive By Baby

Alabama Shakes

I see you screaming, and I've never seen you here before  
What kind of homeland band, you come on okay, you know who they  
watch you some more

You give me feelings  
Feeling that pain in the ass  
I'm in the future  
You just don't even know

Drive round though won't you let me out  
Drive by baby won't you let me out  
Why, oh why, oh why, oh why  
Oh why, oh why, did I care?

Four hours  
I don't wait at my door  
People waiting  
Maybe I wait some more  
Oh I ain't forgiven  
What you gonna do if I walk out of your future  
Then you just gone even more

Drive round ever won't you let me out  
Drive by baby won't you let me while  
In a while, oh my, never mind, never mind  
I'm alright, oh my, never mind, never mind  
I'm alright, oh my, never mind, never mind  
I'm alright, oh my, never mind, never mind  
Never mind, never mind, never mind, never mind  
Never mind everybody, lets cope
