You get up every morning From your alarm clock's warning Take the 8:15 into the city There's a whistle up above And people pushin', people shovin' And the girls who try to look pretty And if your train's on time You can get to work by nine And start your slaving job to get your pay If you ever get annoyed Look at me I'm self-employed I love to work at nothing all day And I'll be... Taking care of business every day Taking care of business every way I've been taking care of business, it's all mine Taking care of business and working overtime Work out

If it were easy as fishin' You could be a musician If you could make sounds loud or mellow Get a second-hand quitar Chances are you'll go far If you get in with the right bunch of fellows People see you having fun Just a-lying in the sun Tell them that you like it this way It's the work that we avoid And we're all self-employed We love to work at nothing all day And we be... Taking care of business every day Taking care of business every way I've been taking care of business, it's all mine Taking care of business and working overtime

And we be...

Taking care of business every day

Taking care of business every way

I've been taking care of business, it's all mine

Taking care of business and working overtime
