

Leopard Print

Alaska Thunderfuck

Everything must be leopard print
Everything must be leopard print
Everything must be leopard print
Everything, leopard print
If it's not leopard print it's irrelevant
Everything must be leopard print
Everything must be leopard print
Leopard print, everything

Those shoes, leopard print
That blouse, leopard print
That door, leopard print
That house, leopard print
Your hair, leopard print
Your eyes, leopard print
Those arms, leopard print
These fries, leopard print

Excuse me, are you wearing Cheetah print?
Please leave immediately

Everything must be leopard print
Everything must be leopard print
Everything must be leopard print
Everything, leopard print
I even want a leopard print elephant

Everything must be leopard print
Everything must be leopard print
Leopard print, everything

That car, leopard print
That tree, leopard print
That face, leopard print
This tea, leopard print
That planet, leopard print
That ring, leopard print
That spacecraft, leopard print
Everything leopard print

Ahh, it's the leopard print takeover
It's the leopard print takeover
Hah hah

Everything must be leopard print
Everything must be leopard print
Everything must be leopard print
Everything, leopard print
If it's not leopard print, it's irrelevant
Everything must be leopard print
Everything must be leopard print
Leopard print, everything
