## Alaska Thunderfuck

Hello Gia Gunn  
How's the hair?

How's the mug?

Stun

Rich, top knot looking like fish  
At the bottom of your grocery list  
Blow my lashes and make a wish  
Cause I'm that bitch  
Got mug for days  
Got you high like purple haze  
Mama said it was just a phase  
Gimme bread and I'll spread it like mayonaise

So stunning  
When I'm at the club  
So stunning  
When I'm acting up  
So stunning  
Can't get enough  
Take it downtown bitches and I'll turn it up  
Stun

Luxe  
Looking like a million bucks  
Black card, Swarovski tuxe  
No shits, no fucks  
No chickens, no ducks  
Feeling like pussy  
Feeling like cunt  
Take me to the back and I'll show you the front  
Unh, cause she shows the stunts  
So mad about me like Helen Hunt

So stunning  
When I'm at the club  
So stunning  
When I'm acting up  
So stunning  
Can't get enough  
Take it downtown bitches and I'll turn it up  
Stun

How is she though?  
She's good, thank you  
You look like a fucking dumpster  
I feel more like a recycling bin  
You look, good  
Oh sorry, I cough like a man  
Are you feeling your oats?  
Is that what that is? I just thought it was gas  
I don't like messy queens  
But I certainly do love stunning queens  
Are you stun?

Alright  
Are you feeling stun?  
A little bit  
Feeling like pussy  
Feeling like  
Stun
