

Your God

Alastis

He'd have been dead since more than nineteen centuries
But stayed alive in many sincere hearts...
He'd have been the son of God... but who is God?
Only one thing I'm sure, he's never born in my believes
And I refuse to be slave of this legend...

The church shakes, its faithful doubt
But the fight still isn't winning!

Jesus Christ,
His name was Jesus Christ

Look at the result,
Two thousand years of inquisition,
Hate, lie and persecution

Jesus Christ, Saviour, Lie & Hate...
