

## Cartoon Music For Superheroes

**Albert Hammond, Jr.**

Goodnight, I say to you, goodnight  
Dream of all the impossible

And when you wake, you'll see  
That all these dreams, aren't fake  
They're real, not impossible

Believe you'll be alright  
Sad things you keep inside

So go, tell me what it's like  
Tell me what you like about when you dream
