

Don't Think Twice

Albert Hammond, Jr.

There ain't no use to sit and wonder why
If in you don't know by now
There ain't no use to sit and wonder why
It'll never do, somehow
When your rooster crows at the break of dawn
Look out your window and i'll be gone
You're the reason i been travelin' on
So don't think twice,
it's all right

There ain't no use in turnin' on your light
That light i never knowed
There ain't no use in turnin' on your light
I'm on the dark side of the road
Well i wish there was somethin' you would do or say
To try and make me change my mind and stay
We never did too much talkin' anyway
So don't think twice,
it's all right

There ain't no use in callin' out my name
Like you never done before
There ain't no use in callin' out my name
I can't hear ya anymore
I'm a-thinkin' and a-wond'rin' walkin down the road
I once loved a woman, a child i'm told
I gave her my heart but she wanted my soul
But don't think twice, it's all right

Well so long honey babe
Where i'm bound, i can't tell
Well goodbye's too good a word
So i'll just say fare thee well
I ain't sayin' you treated me unkind
You could've done better but i don't mind
You just kinda wasted my precious time
So don't think twice,
it's all right
