You Won't Be Fooled By This

Albert Hammond, Jr.

Don't you give up And say that you're stuck Surrounded by foolish things Now that you have All that was bad I know now what I must bring To all my friends You haven't changed You're still think that

You won't be fooled, by this You won't be fooled, by this You won't be fooled, by this You won't be fooled, by this

What's left to say I'm on my way I won't know what you last said I'm not one that asks Or then what's said I know now that I can change

And now and then As I close my eyes My foolish wisdom Becomes my pride
