## **Be Tender With Me Baby**

## **Albert Hammond**

You got the right to tell me it's all over It isn't like me to be begging you Don't let go, don't let go
Just stay with me another day

When I'm not myself please understand me I'm so confused I don't know what to do But don't give up, don't give up It just may take a little time

Be tender with me baby
I'm so afraid you'll go away
Be tender with me baby
Always, for always

I know that you've been patient with my weakness
And that you hate to see me cry
But I know, yes I know
It doesn't have to be this way
But I'm so lonely I could die

Be tender with me baby
I'm so afraid you'll go away
Be tender with me baby
Always, for always

Why does my heart keep on hurting
Why do I feel like I do
I hope you see this is not really me
That it's just a phase that I'm going through
