

## Ohayo Tokyo

Alcatrazz

Jet from America  
Touched down in Tokyo  
Taxi me to your rice wine  
Sons of the samurai  
Wait at the terminal  
Aim their cameras and fire  
Ohayo Tokyo ohayo

Take one more photograph  
Invade my privacy  
But me one more Sapporo  
I am a troubadour  
Stripped of my dignity  
Raped and nailed to the wall  
Ohayo Tokyo Ohayo Tokyo ohayo

I sleep beneath that eastern moon  
I want to hear your rising sun  
Sons of the samurai  
Wait in the terminal  
Aim their cameras to fire  
Ohayo Tokyo ohayo Tokyo  
Ohayo Tokyo ohayo Tokyo  
Ohayo Tokyo ohayo Tokyo
