

Moment

Aldious

Douka kono mama de
Kaze ni mau kumo yo
Yozora ni maichiru
Musuu no hoshitachi yo

Mou nidoto mayou koto wa naku
Mou ichido habataku tame ni

I just wanna...Just wanna feel this moment
Munashisa mo kanashimi mo
I don't wanna...Don't wanna cry anymore
Tsuyoku naru to chikau kara

I just wanna...Just wanna live in the moment
Tatoe kodoku na hibi demo
So don't cry...Don't you cry now, anymore
Kimi o mamorinuku kara

Fuan ni osoware
Nemurenai yoru wa
Soba ni ite ageru
Tashika na nukumori o

Mou nanimo osoreru koto wa naku
Me o tojite kanjite hoshii

I just wanna...Just wanna feel this moment
Ushinau kyoufu sae mo
I don't wanna...Don't wanna cry anymore
Soba ni iru to chikau kara

I just wanna...Just wanna live in the moment
Mada tsuyoku wa nai kedo
So don't cry...Don't you cry now, anymore
Kimi o mamoritai kara

I just wanna...Just wanna feel this moment
I don't wanna...Don't wanna cry anymore

I just wanna...Just wanna live in the moment
Tatoe kodoku na hibi demo
So don't cry...Don't you cry now, anymore
Kimi dake wa mamoru kara
