

# Under Control

Alesso

I might be anyone, alone fool out in the sun  
Your heartbeat of solid gold  
I love you, you'll never know

When the daylight comes  
You feel so cold, you know  
I'm too afraid of my heart to let you go

Waiting for the fire to light  
A feeling like we could do right

Be the one who makes tonight  
'Cos freedom is a lonely road

We're Under Control  
We're Under Control

I might be anyone, alone fool out in the sun  
Your heartbeat of solid gold  
I love you, you'll never know

When the daylight comes  
You feel so cold, you know  
I'm too afraid of my heart to let you go

Waiting for the fire to light  
A feeling like we could do right

Be the one who makes tonight  
'Cos freedom is a lonely road

We're Under Control

Waiting for the fire to light  
A feeling like we could do right

Be the one who makes tonight  
'Cos freedom is a lonely road

We're Under Control
