Only you can send me under, under, under

Em
1. I die every time you walk away
C **G**
Don't leave me alone with me
D
See, I'm afraid
Em
Of the darkness and my demons
C **G** **D**
And the voices, sayin' nothing's gonna be okay,
Em
I feel it in my heart, soul, mind that I'm losing
C
You, me, you're abusing
G **D**
Every reason I have left to live.

R:

2. Lost trust, 21 grams of soul
All the sanity I've ever owned... gone
But I'm still breathing
Through the thunder, and the fire, and the madness
Just to let you shoot me down again
But I'm still breathing
I feel it in my veins, skin, bones that I'm losing
You, me, you're confusing
Every reason that I've left to live

R:

C G D

Em
Chasing you but you don't look back
C
Words I threw that I can't take back
G **D**
Reaching out but I can't hold on to you, no
Em
Chasing you but you don't look back
C
Words I threw that I can't take back

G **D**
Reaching out but I can't hold on to you

R:
