

Something always brings me back to you
It never takes too long
No matter what I say or do
I'll still feel you here 'til the moment I'm gone

You hold me without touch
You keep me without chains
I never wanted anything so much
Than to drown in your love and not feel your rain

Set me free
Leave me be
I don't wanna fall another moment into your gravity
Here I am as I stand so tall, just the way that I'm supposed to
be
But you're on to me and all over me

You loved me 'cause I'm fragile
When I thought that I was strong
And you touch me for a little while
And all my fragile strength is gone

Set me free
Leave me be
I don't wanna fall another moment into your gravity
Here I am as I stand so tall, just the way that I'm supposed to
be
But you're on to me and all over me

I live here on my knees
As I try to make you see
That you're everything I think I need here on the ground

But you're neither friend nor foe
Though I can't seem to let you go
The one thing that I still know is that you're keeping me down

You're keeping me down
'Cause you're on to me, on to me, and all over

Something always brings me back to you
It never takes too long
