

I Love You

Alex & Sierra

I fell in love with a beautiful girl
And she still takes my breath away
I fell in the morning sun while the hours slept away
Sometimes when I hear your name, my smile creeps on my face
And for reasons I can't explain it's never out of pace

Cause I love you
More than you think I do
And I love you
Now you don't want me to
Cause I love you
More than you think I do
And I love you
Now you don't want me to

You and your finger down my back
And you spell out your name
While we lay there on the soft warm ground for a week and 13 days
And I know that it's out so wrong
And you've heard all this before
I didn't comeback and I wasn't there
I want trouble you no more

Cause I love you
More than you think I do
And I love you
Now you don't want me to
Cause I love you
More than you think I do
And I love you
Now you don't want me to

Every time I try to fight it
Everything just turns out wrong
Maybe it forgot my time and right I would't dreamed all the wrong
I fell in love with a beautiful boy
And he stills takes my breath away
When you left it was the end of my world
Cause I never got to say.

That I love you
More than you think I do
And I love you
Now you don't want me to
Cause I love you
More than you think I do
And I love you
Now you don't want me to

Cause I love you
I love you
Cause I love you
I love you
Now you don't want me to
