

Little Do You Know

Alex & Sierra

Little do you know
How I'm breaking while you fall asleep
Little do you know
I'm still haunted by the memory
Little do you know
I'm trying to pick myself from piece by piece
Little do you know
I need a little more time
Underneath it all I'm held captive by the hole inside
I've been holding back for the feel that you might change your mind
I'm ready to forgive you but forgetting is a harder fight
Little do you know
I need a little more time

Away, away
I love you like you've never felt the pain, away
I promise you don't have to be afraid, away
The love you see right here stays so lay your head on me
Little do you know
I know you're hurt while I'm sounding asleep
Little do you know
All my mistakes are solely drowning me
Little do you know
I'm trying to make it better piece by piece
Little do you know
I love you till the sun dies

Away, just wait
I love you like I've never felt the pain, just wait
I love you like I've never been afraid, just wait
Our love we see right here stays so lay your head on me

Away, away
I love you like you've never felt the pain, away
I promise you don't have to be afraid, away
The love you see right here stays so lay your head on me
Lay your head on me
So lay your head on me
