

# Baby You Know

Ali Gatie

Baby, you know  
You know know know  
What you gon' do  
Yeah baby no no no  
I'm not a fool  
You know know know  
What you gon' do  
I'm not a fool

I was putting you through heaven, you was putting me through hell  
Cold hearted, you never knew how to feel  
Feeling locked up, I been living in a jail  
I was working on the deal, you was saying I would fail

I really had to change  
Everything that you said  
You lying all the time  
And you crying  
'Bout the games

I know that you know  
That I ain't gon' play  
Know that you know  
That I ain't gon' stay

I know your tricks and moves  
I ain't another dude  
You got something to prove  
But baby I ain't a fool

I know your tricks and moves  
I ain't another dude  
You got something to prove  
But baby I ain't a fool

Baby, you know  
You know know know  
What you gon do  
Yeah baby no no no  
I'm not a fool

You know know know  
What you gon' do  
I'm not a fool

I'm not a fool  
I'ma fool for falling for you  
Baby, you knew how to show me  
You was acting like a homie  
And now you act like you don't even know me

Slow it down for me  
Make my world stop stop stop  
Hold it down for me  
Know I'd be the top top top  
You was drowning me  
With the talk talk talk

Never work was curse  
You a flop flop flop

Slow it down for me  
Make my world stop stop stop  
Hold it down for me  
Know I'd be the top top top  
You was drowning me  
With the talk talk talk  
Never work was curse  
You a flop flop flop

I know your tricks and moves  
I ain't another dude  
You got something to prove  
But baby I ain't a fool

Baby, you know  
You know know know  
What you gon' do  
Yeah baby no no no  
I'm not a fool

You know know know  
What you gon' do  
I'm not a fool
