

I Better Be Good

Alice Cooper

If I ain't cool
My daddy gonna send me
To Military School
If I ain't nice
My girlie gonna freeze me
With cold shoulder ice
If I'm real late
My teacher gonna use me
For alligator bait
So, I better be good
I better be good

If I jump on the gas
The cops are gonna jump
All over my back
If I smoke too much
Doctor says he's gonna
Put my lungs in a crutch
If I'm caught without my pants
Consuelo's dad is gonna shoot
Until he sees me dance

So, I better be good
I had better be good
You better be nice
You better be nice
You better be nice
You better be nice
Nice, nice, nice - you better be
Nice, nice, nice - you better be
Nice, nice, nice - Uh, uh, uh, uh
Nice, nice, nice

Nice, nice, nice
Nice, nice, nice
You better be nice tonight

If I spray it on the seat
Lady gonna tie a big knot
In the meat
If I spewey too fast
Lover's gonna stick
My Wrangler in a cast
If zipper grabs skin
I'll know I had it out
When I shoulda kept it in
Ow.

I better be good
I better be good
I better be good
Ooh

You better be nice
You better be nice
You better be nice
You better be nice

Nice, nice, nice - you better be
Nice, nice, nice - you better be
Nice, nice, nice - Uh, uh, uh, uh
Nice, nice, nice

I'd better be nice tonight - yeah
Nice, nice, nice
Nice, nice, nice
Nice, nice, nice
