

I Got a Line on You

Alice Cooper

Yeah

Oh yeah, come on

Now let me take you, baby, down to the river bed

Well, I got to tell you something

That'll go right through your head, yeah

I got a line on you, babe

(I got a line on you, babe)

Yeah, I got a line on you

(I got a line on you, babe)

Come on

Now put your arms around me, every little bit of your love

Oh, you know what to do, I'll make love to you

You got the right stuff, and I do too

I got a line on you, babe

(I got a line on you, babe)

Yeah, I got a line on you

(I got a line on you, babe)

Yeah

Got my eye on you, baby, on your velvet skin

I wanna put my hands where they've never been

Get real hot in the midnight steam

Soaking in the rain of my favorite dream

Your lips are red, the moon is blue

I only ask you once what you want to do

Gonna touch you, babe, 'til the night is through

Look out, honey, got a line on you

Oh yeah

Oh, now the winter's almost over

The summer she's coming on strong

Oh, I could love you, love you, love you

Love you all year long, yeah

I got a line on you, babe

(I got a line on you, babe)

Yeah, I got a line on you

(I got a line on you, babe)

Ah, yeah

I got a line on you, babe

(I got a line on you, babe)

Yeah, I got a line on you

Yeah, yeah, yeah

I got a line on you, babe

(I got a line on you, babe)

I got a line on you

(I got a line on you, babe)
