Killing Yourself

Alice In Chains

Move up from the table
Stick her arm let her go
Dropped dime on me last time
By morning his blood turned bold

Runnin from the law since Monday
'Cause Suzy went down on time
Got enough to last till Sunday
So I'm burning on down that line

Killing Yourself
Killing Yourself
Killing Yourself
K-K-K-Killing Yourself

Move up from the table
Fat man going down
Some run from the big gun
Some just run from the sound

Runnin from the law since Monday
'Cause Suzy went down on time
Got enough to last till Sunday
So I'm burning on down that line

Suzy was a bad child
Always on the wrong side
Ah, she was no good
She was bad, bad, bad with the bad cats
Always punching the needle in her arm
Ah, but when she's good, she's so damn good

Killing Yourself
Killing Yourself
Killing Yourself
K-K-K-Killing Yourself
You're just killing yourself
