

Me x 7

Alicia Keys

I should take a shot in the mornin'
Cheers to all my fears
Last night I was caught in the moment
How did I get here?
Reminisce old times I had, smile from ear to ear
Maybe it's not that bad, I shouldn't even care

But I do (Do)
I care too much, I care too much, I care too much about you (You)
But I do
I do (Do)
I care too much, I care too much about you
More than myself sometimes

Me, me, me, me, me, me, me
It needs to be about me
Me, me, me, me, me, me, me
So let it be

I should push this 3 o'clock to no o'clock 'cause I don't wanna disappear
This shroom got my head spinnin' like a carousel at a fair
I know I should give it up, but there's somethin' 'bout the chase
'Cause when our bodies touch, it erase everythin'

But I do (Do)
I care too much, I care too much, I care too much about you (You)
Yeah, I do (I do)
See, I do (Do)
I care too much, I care too much about you (You)
More than myself sometimes

Me, me, me, me, me, me, me
It needs to be about me
Me, me, me, me, me, me, me
So let it be

It's just me, myself, and I (Me!; I)
Can't believe I drive (Me!; drive)
To help you then you lie (Me!; lie)
Like a million times (Times)
Yeah, I'm in my prime (Prime)
A few parkin' tickets, but I'm fine (Fine)
I ain't paid a dime (Dime)
Tell 'em standin' lyin' (Me)
Baby, I got shit to do
If I was you, I would probably cry and miss me too
Listen, boo, this the new me
I'm gettin' chicken, boo
Whack and Alicia, well at least I feel invincible

But I do (Ah, ah, ah)
I care too much, I care too much, I care too much about you (Ah, ah)
Yeah, I do (Yeah, same)
See, I do (Ah, ah, ah, ah)
I care too much, I care too much about you
More than myself sometimes

Me, me, me, me, me, me, me (What? Same, same, same)
It needs to be about me (Yeah, yeah, yeah)
Me, me, me, me, me, me, me (Same, same, same)
So let it be
