

Try Sleeping With A Broken Heart

Alicia Keys

Bmi **E** **A**
Even if you were a million miles away

D
I could still feel you in my bed

D **Bmi**
Near me, touch me, feel me

E **A**
And even in the bottom of the sea

D
I can still hear inside my head

D Bm
Telling me, touch me, feel me

E A D
And all the time you were telling me lies

Bmi **E** **A D**
R: So tonight I'm gonna find a way to make it without you

Bmi **E** **A D Bmi**
Tonight I'm gonna find a way to make it without you

E **A D**
I'm gonna hold on to the times that we had

Bmi **E** **A D**
Tonight I'm gonna find a way to make it without you

D **E** **A**
Have you ever tried sleeping with a broken heart

D
Well you can try sleeping in my bed

D **Bmi**
Lonely, only, nobody ever shut it down like you

E **A** **D**
You wore the crown, you make my body feel heaven-bound

D Bm
Why don't you hold me, need me, I thought you told me, you'd never leave me

E **A**
Looking in the sky I can see your face

D
And i knew right where I'd fit in

D **Bm** **E**
Take me, make me... You know that I'll always be in love with you

A D
Right til the end

R: So tonight I'm gonna find a way...

Bmi
Anybody could have told you right from the start
It's bout fall apart

E
So rather than hold onto a broken dream

A **Bmi**
Or just hold onto love

E **A**
And I could find a way to make it

D **Bmi**
Don't hold on too tight

E A D

I'll make it without you tonight

R: So tonight I'm gonna find a way...
