

Floating

Alina Baraz

2am and I'm still breathing
Staring at my thoughts
Floating up to the ceiling
I'm swimming in everything you said
I'm thinking 'bout jumping in instead
I've got you skinny dipping
Deep inside my head

It's in the way you see, you know what I need
It's in the way that you're holding me
Bringing me close
You know that I won't let go, you've got me on repeat
You've got me in a dream
I let my worries go soon as you come through the door
Thinking 'bout what it'd be like to be yours

Every time you move
You're liking like a dozen
I think that you could have it (Ooh ooh)
Everything you do
I want to do it with you
Don't ever want to miss you

Woah, oh
You do, you do, you do
You do, you do, you do, you do

It's in the way you touch me
I don't know much about love
But I'll keep on checking my phone
To see when you're home
Or when you want me to pull up
We're one in the same
You got me caught in a daze
I love it when you say my name
All my love is your's

I'm swimming in everything you said
I'm thinking 'bout jumping in instead?
I've got you skinny dipping
Deep inside my head

Every time you move
You're liking like a dozen
I think that you could have it (Ooh ooh)
Everything you do
I want to do it with you
Don't ever want to miss you

Woah, oh
You do, you do, you do
You do, you do, you do, you do

2am and I'm still breathing
Staring at my thoughts
Floating up to the ceiling
