

The feeling is growing  
We have to keep up with the Jones'  
We have to keep up the demand  
Because the supply is getting more  
Well there'll catastrophic circumstances  
If the e-mail and dot-com's capture the world,  
And cyberspace is a holiday place  
And your best friend lives on Mars  
(ooo) Do you remember glamour on Sunset Boulevard?  
Do you remember?  
Do you remember?  
(ooo) When ladies were ladies and men were men?  
But now the future's taking over  
We're out of control again

It's more like Barbarella, Barbarella  
It's not like the old 50's glamour  
It's more like Barbarella, Barbarella  
It's not like the old 50's glamour

Coming out of the nineties  
Everybody thinks we're getting wiser  
Coz we're seeing three dimensional  
And we're filling up wide open space  
(wide open space)

Interactive, the word of the moment  
Laughs the old gentlemen in the face  
A generation we can never replace  
Never, never replace

(ooo) Do you remember glamour on Sunset Boulevard  
Do you remember?  
Do you remember?  
(ooo) When ladies were ladies and men were men?  
But now the future's taking over  
We're out of control again

It's more like Barbarella, Barbarella  
It's not like the old 50's glamour  
(coming out of the 90's, yeah)  
It's more like Barbarella, Barbarella  
It's not like the old 50's glamour  
It's more like Barbarella, Barbarella  
It's not like the old 50's glamour  
It's more like Barbarella, Barbarella  
It's not like the old 50's glamour

Nearly hit the history books  
It starts all over again  
Virtual reality, yeah, isn't real  
Virtual reality, yeah, isn't real

It's more like Barbarella, Barbarella  
It's not like the old 50's glamour  
It's more like Barbarella, Barbarella  
It's not like the old 50's glamour

(ooo) Do you remember glamour on Sunset Boulevard?  
Do you remember?  
Do you remember?  
(ooo) When ladies were ladies and men were men?  
But now the future's taking over  
We're out of control again

(ooo yeah, doo do do, do you remember?)  
It's more like Barbarella, Barbarella  
It's not like the old 50's glamour

Comin' out of the 90s, yeah
