

All Cried Out

Alison Moyet

You took your time to come back this time
The grass has grown under your feet
In your absence I changed my mind
And someone else is sitting in your seat

I know that I said there'd be no one else
I know that I said I'd be true
But baby, I burned the Cupid's arrow
And here's the short and the narrow, I've nothing left to offer you

I'm all cried out, you took a whole lot of loving
For a handful of nothing
All cried out, it's hard to give you something
When you're pushing and shoving me around

So don't look surprised there was no disguise
You knew where I stood from the start
So stop, look around you
You're right back where I found you
Take back your cold and empty heart

All cried out, you took a whole lot of loving
For a handful of nothing
All cried out, it's hard to give you something
When you're pushing and shoving

All cried out, you took a whole lot of loving
All cried out, it's hard to give you something
When you're pushing and shoving me around

You go your way
I'll go mine
I won't stay around here
Don't you waste my time

All cried out, you took a whole lot of loving
For a handful of nothing
All cried out, it's hard to give you something
When you're pushing and shoving

All cried out, you took a whole lot of loving
All cried out, it's hard to give you something
When you're pushing and shoving me around

All cried out, you took a whole lot of loving
For a handful of nothing
All cried out, you took a whole lot of loving

All cried out, you took a whole lot of loving
For a handful of nothing
All cried out, it's hard to give you something
