Lights the music turned off
Pack mi things yow a church mi a go
Feel like fi put on yo name tag

Gyal let me give you some nice, nice, whine
Call mi Earl and not Alkaline
If da p*ssy yah good one more time
One more time, one more time

Why every time when you fi gi mi the p*ssy
Gimmi the p*ssy, mi haffi fight you?

Why every time when mi tell you seh fi tek you draws off
Wi haffi lock the light off?

Why every time before wi dweet
Mi haffi remind you why mi like you?
