

Ticking Timebomb

All Girl Summer Fun Band

I always find a pic by the phone when I find myself alone,
And I write a love song about you.
You ask me if I'm blue and I tell you that I'm happy just thinking about you.

You've turned my heart around and you let me see
A side of you that no one else has seen.
The lights are turned way down and you're whispering your thoughts,
Your fears, your worries and your dreams.
Do you know I worry on the inside,
I will find out that you were untrue.
My friends all tell me you're a ticking time bomb (he's a ticking time bomb)
I worry that you'll break my heart in two.
