

Dawn to Dusk

All Sons & Daughters

Lord as we turn to You
Come free us from our sin
We only have today
So let us now begin

From dawn to dusk
We are waking up
From dawn to dusk
We are waking up

Tomorrow's freedom is today's surrender
We come before You lay our burdens down
We look to You as our hearts remember
You are the only God
You are our only God

Lord as we give You more
Your Spirit swells within
'Cause You are holy holy Lord
So let us now begin

From dawn to dusk
We are waking up
From dawn to dusk
We are waking up

Tomorrow's freedom is today's surrender
We come before You lay our burdens down
We look to You as our hearts remember
You are the only God
You are our only God

Ooh yeah ooh oh ooh ooh ooh

Tomorrow's freedom is today's surrender
We come before You lay our burdens down
We look to You as our hearts remember
You are the only God
You are our only God

Tomorrow's freedom is today's surrender
We come before You lay our burdens down
We look to You as our hearts remember
You are the only God
You are our only God
