

# A Song for the Hopeless

## All That Remains

The day has ended  
I lay awake  
A soft glow over my shoulder  
I'll sleep soon  
Wake tomorrow and then it's all the same

And I'll destroy the memories one by one  
The bitter past erased  
I'll not replace  
What's done is done

No belief is all that's left and I do not regret  
The darkness welcomes me back home

And I am still my own  
Can't take away  
And I am still my own

And I feel the pain still deeply  
It seems sometimes too much to bear  
And I have a core within me still  
My strength is there

And I'll destroy the memories one by one  
The bitter past erased  
I'll not replace  
What's done is done

No belief is all that's left and I do not regret  
The darkness welcomes me back home

And I am still my own  
Can't take away  
And I am still my own  
Can't take away

And I can't be made less  
I know who I am

And I am still my own

You cannot take away  
Can't take away  
You cannot take away  
Can't take away  
You cannot take away  
Can't take away  
You cannot take away

And I am still my own  
Can't take away  
And I am still my own  
Can't take away

And I can't be made less  
I know who I am

And I am still my own
