

# Just the Way I'm Not

All Time Low

Can I pick you up for,  
Another night on the north shore?  
Do you even want to see my face again?  
I'm a waste of chances,  
Full of bad romances,  
Your favorite enemy,  
And your most hated friend.

When it hurts it hurts,  
You wonder if it's worth it.  
But when it works it works,  
When it's broke it's perfect.

Woah oh!  
Never to seem please you, no,  
Don't you ever let me go,  
I know your heart is shut, shut, shut.  
And don't you know,  
Nothing's gonna change us.  
Girl, all because I like you just the way you aren't,  
And you like me just the way I'm not.  
(And you like me just the way I'm not.)

You're a classic case of,  
Foolish, young and in love,  
But you don't even know what love could do to us.  
We are brash and reckless,  
Made of glass and careless,  
We break apart the moment we both feel too much.

'Cause when it hurts it hurts,  
You wonder if it's worth it.  
But when it works it works,  
When it's broke it's perfect.

Woah oh!  
Never to seem please you, no,  
Don't you ever let me go,  
I know your heart is shut, shut, shut.  
And don't you know,  
Nothing's gonna change us.  
Girl, all because I like you just the way you aren't,  
And you like me just the way I'm not.  
(You like me just the way I'm...)

Opposites distract,  
We fall between the cracks,  
Forget about each other 'til we get each other back.  
[3x]

Go!  
Never to seem please you, no,  
Don't you ever let me go,  
I know your heart is shu...

Woah oh!  
I never to seem please you, no,

I know your heart is shut, shut, shut.  
And don't you know,  
Nothing's gonna change us.
