

# Somewhere in Neverland

All Time Low

Say goodbye to the halls and the classes  
Say hello to a job and the taxes  
The weekends with old friends spilling into 9 to 5 routine  
Tell me how you feel over and done with  
Like your life is a map with no compass to guide,  
At the bar drinkin' way too much  
We sing along to "Forever Young".

So here we go again  
Wishin' we could start again

Wendy run away with me  
I know I sound crazy  
Don't you see what you do to me?  
I wanna be your lost boy  
Your last chance, a better reality

Wendy we can get away  
I promise if you're with me, say the word and we'll find a way  
I can be your lost boy, your last chance  
Your "everything better" plan  
Oh, somewhere in Neverland  
(Somewhere in Neverland)

We'll start a life of the plain and the simple  
Of great times with far better people  
And weekends with our friends  
Laughing about the wine that stains their teeth  
We'll talk about how your parents separated and  
How you don't wanna make the same mistakes as them  
I'll say it's all about stickin' it out  
And trying to feel forever young

So here we go again  
Wishin' we could start again

Wendy run away with me  
I know I sound crazy  
Don't you see what you do to me?  
I want to be your lost boy  
Your last chance, a better reality

Wendy we can get away  
I promise if you're with me, say the word and we'll find a way  
I can be your lost boy, your last chance  
Your "everything better" plan  
Oh, somewhere in Neverland

So here we go again  
Wishin' we could start again

Wendy run away with me  
I know I sound crazy  
Don't you see what you do to me?  
I want to be your lost boy  
Your last chance, a better reality

Wendy we can get away  
I promise if you're with me, say the word and we'll find a way  
I can be your lost boy, your last chance  
Your "everything better" plan  
Oh, somewhere in Neverland  
Oh, somewhere in Neverland  
(Somewhere in Neverland)
