

## Perfection

All

I'm The Kind Of Guy Who Never Gets There  
With Too Many Expectations I Don't Mind Everytime  
I Try To Make Concessions I Feel Like A Dope For  
Thinking She's So Fine Then I'm Back Where I Started  
From I Won't Settle For Blank Affection I'll Hold Out For  
Total Perfection I'm Waiting For The Perfect Someone  
So For Now I'm Caught In The Middle All In Time Time  
For Life To Be Devine Till Then I've Got My Friends To  
Count On To Ease My Mind They Give Me All The Strength  
I Need I Won't Settle For Blank Affection You Pretend And  
Live A Lie I'll Hold Out For Total Perfection Stain Yourself  
With Compromise I Intend To Conquer The Day Make My  
Love In A Better Way In The End I Won't Settle For Blank  
Affection I'll Hold Out For Total Perfection I Won't Settle  
For Blank Affection I'll Hold Out For Total Perfection
