

Gone Too Far

Allen-Lande

I washed my hands today
Won't follow you this time I feel
I beg you to stay away
The bloodstains won't come out
The color it won't leave my soul
I must be free

I won't hear no more
I won't see anymore
I won't be a part of anything your evil mind creates
I won't take no more
I won't speak no more
You can keep your lies onto yourself,
I know just what you are
This time you've gone too far

It's getting hard to breathe
I'm choking on the memories
You're not the way I want to be
I'm picking up the pieces of my life
So say no more
Just say goodbye

I won't hear no more
I won't see anymore
I won't be a part of anything your evil mind creates
I won't take no more
I won't speak no more
You can keep your lies onto yourself,
I know just what you are
This time you've gone too far

This time you've gone too far!
You've gone too far...!
Far away, far away... Oh..

I won't hear no more
I won't see anymore
I won't be a part of anything your evil mind creates
I won't take no more
I won't speak no more
You can keep your lies onto yourself,
I know just what you are
This time you've gone too far
