

# Beat Me Up

Allison Iraheta

You like to keep me on a chain, chain, chain  
Change your mind or change your ways, ways, ways  
You got me running through a maze, maze, maze  
I know this isn't just a phase, phase, phase

You always pick me up  
And then you hold me down  
I'll never let you go

'Cause baby even though you beat me up, beat me up  
I still love you 'cause you heat me up, heat me up  
And that's why every time you hit me up, hit me up  
I come running 'cause you fix me up, fix me up  
Oh baby just beat me up, beat me up  
Oh baby just beat me up, beat me up

You always make me do those things, things, things  
Shut me up then make me sing, sing, sing  
You love it when I scream your name, name  
But you get your kicks out of causing me pain, pain, pain

You always pick me up  
And then you hold me down  
I guess you'll never know

'Cause baby even though you beat me up, beat me up  
I still love you 'cause you heat me up, heat me up  
And that's why every time you hit me up, hit me up  
I come running 'cause you fix me up, fix me up  
Oh baby just beat me up, beat me up  
Oh baby just beat me up, beat me up  
Oh baby just beat me up, beat me up  
I love you even though you beat me up, beat me up

And I really don't care what they say about me  
Cause it gives me everything I want  
And I don't know what it's like when you need somebody  
To the point they can do no wrong  
We always fight and then I open up my door

'Cause baby even though you beat me up, beat me up  
I still love you 'cause heat me up, heat me up  
And that's why every time you hit me up, hit me up  
I come running 'cause you fix me up, fix me up  
Oh baby just beat me up, beat me up  
I still love you 'cause heat me up, heat me up  
And that's why every time you hit me up, hit me up  
I come running 'cause you fix me up, fix me up  
Oh baby just beat me up, beat me up  
Oh baby just beat me up, beat me up  
Oh baby just beat me up, beat me up  
I love you even though you beat me up, beat me up
