You and me We used to be together Everyday together always I really feel That I'm losing my best friend I can't believe This could be the end It looks as though you're letting go And if it's real Well I don't want to know Don't speak I know just what you're saying So please stop explaining Don't tell me cause it hurts Don't speak I know what you're thinking I don't need your reasons Don't tell me cause it hurts Our memories Well, they can be inviting But some are altogether Mighty frightening As we die, both you and I With my head in my hands I sit and cry Don't speak I know just what you're saying So please stop explaining Don't tell me cause it hurts (no, no, no) Don't speak I know what you're thinking I don't need your reasons Don't tell me cause it hurts It's all ending I gotta stop pretending who we are... You and me I can see us dying... are we? Don't speak I know just what you're saying So please stop explaining Don't tell me cause it hurts (no, no, no) Don't speak I know what you're thinking I don't need your reasons Don't tell me cause it hurts Don't tell me cause it hurts! I know what you're saying So please stop explaining Don't speak, Don't speak, Don't speak, Oh I know what you're thinking

And I don't need your reasons
I know you're good,
I know you're good,
I know you're real good
Oh, la la
Don't, Don't, uh-huh Hush, hush darlin'
Hush, hush darlin' Hush, hush
Don't tell me tell me cause it hurts
Hush, hush darlin' Hush, hush darlin'
Hush, hush don't tell me tell me cause it hurts
