

Should I Be Concerned

Allison Moorer

Should I be concerned
That my thoughts are dark that I fall apart over nothing
And each sunset brings regret that another day will soon be dawning

Should I be concerned
Should I be alarmed
That I'd rather stay in bed all day than get up
And face the fact you're not coming back
and nothing will ever be the same
Should I be alarmed

Maybe I should call someone
Maybe I don't need to be alone
Maybe I just need someone
To listen
To my story

Should I be disturbed
That my every move is outside the groove what am I thinking
I might as well let it all go to hell what difference would it make
Should I be disturbed
