

All I Have Is Love

Aloe Blacc

I'm sorry baby
But daddy ain't got no Christmas money
I've been on my feet trying to get ends to meet
In this land of milk and honey
Now every paycheck that I get
Whatever I make, they take it from me
So I'm sorry baby
But daddy ain't got no Christmas money

All I have is love, yeah
Love, yeah
Love, yeah
Love, yeah

I'm sorry baby
But daddy ain't got no Christmas spending cash
It's hard enough trying to find a way to make
A little bit that I have in pocket last
Soon as I earn it
I got to turn around and spend on some gas
So I'm sorry baby
But daddy ain't got no Christmas spending cash

But what I have for you is endless
It's a gift that's so tremendous
It can wrap around from your head to the ground
And lift you up when you're down

All I have is love, yeah
All I have is love, yeah
All I have is love, yeah
All I have is love, yeah

I really wish that it was different, I wish I had some better news
But I'd do anything if there was something I could do
I'd love to get you some clothes that fit you and a brand new pair of shoes
But the work is slow and every cent goes to paying rent and buying food

What I have for you is endless
It's a gift that's so tremendous
It can wrap around from your head to the ground
And lift you up when you're feeling down

All I have is love, yeah
All I have is love, yeah
All I have is love, yeah
All I have is love, yeah

All I have is love, yeah
All I have is love, yeah
All I have is love
All I have is love, yeah
