

I Got Your Christmas Right Here

Aloe Blacc

Oooh, Oooh
Oooh, Oooh

I wrapped your gift today
Tied a pretty ribbon all around
Wrote a few words down
Read 'em to myself to see how they sound
I put it under the tree
On Christmas day you'll see
Just how much you mean to me

I've got your Christmas right here
And it's clear
What I've got is full of love and cheer
I've got your Christmas right here
Have no fear
I'm all you need for Christmas my dear
I've got your Christmas right here

Been spending the whole day
Thinking how special you are
You're the angel at the top of my tree
You're a shining star
You make me feel like it's Christmas
Everyday of the year
And if you didn't know by now
Let me make it real clear

I've got your Christmas right here
And I swear

What I've got is full of love and cheer
I've got your Christmas right here
Have no fear
I'm all you need for Christmas my dear
I've got your Christmas right here

Do you know what your smile does to me
Your grace and your beauty, oh it touches me
You give so much love to me
All year, all year, all year

And your Christmas right here
And I swear
What I've got is full of love and cheer
I've got your Christmas right here
Have no fear
I'm all you need for Christmas my dear
I've got your Christmas right here
And it's clear
What I've got is full of love and cheer
I've got your Christmas right here
Have no fear
I'm all you need for Christmas my dear
I've got your Christmas right here

Oooh, Oooh

Oooh, Oooh
