

Last Christmas

Aloe Blacc

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special
Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Once bitten and twice shy
I keep my distance but you still catch my eye
Tell me, baby, do you recognize me?
Well, it's been a year it doesn't surprise me
(Merry Christmas!)
I wrapped it up and sent it
With a note saying, "I love you" and I meant it
Now, I know what a fool I've been
But if you kissed me right now I know you'd fool me again

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special
Last Christmas, I gave you my heart

But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

A crowded room, friends with tired eyes
I'm hiding from you, and your soul of ice
My god, I thought you were someone to rely on
Me? I guess I was a shoulder to cry on
A face on a lover with a fire in his heart
A man under cover but you tore me apart
You tried to tell me I was just a friend
Now, I've found a real love you'll never fool me again

Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special
Last Christmas, I gave you my heart
But the very next day you gave it away
This year, to save me from tears
I'll give it to someone special

Gonna give it to someone special, yeah
