

Tell Your Mama

Aloe Blacc

Tell your mama Merry Christmas
From me and mines to you and yours
Tell your mama Merry Christmas
From me and mines to you and yours

Tell your sister, tell your daddy
Tell your brother, tell your granny
Merry Christmas from me and mines
To you and yours, to you and yours

Way back in the good old days
When all that I would do was play
And ride my bike on through the neighborhood

I'd be cruising all around
Sometimes I'd reach the edge of town
Best be home before sundown was understood

On the way back to my house

Mommas friends would holler out
When they'd see me rolling by fast as I could
Boy don't forget to send our best
To your parents and the rest
When I got home I did what they all said I should

Tell your mama Merry Christmas
From me and mines to you and yours
Tell your mama Merry Christmas
From me and mines to you and yours

Tell your sister, tell your daddy
Tell your brother, tell your granny
Merry Christmas from me and mines
To you and yours, to you and yours

Now break it down, Happy Hanukkah!
