

# The Hand Is Quicker

Aloe Blacc

The hand is quicker than the eye  
And sometimes the truth ain't no better than the lie

I'm gon' tell you a story about how things changed around  
One day you on top of the world and the next day you're on the ground  
I was the one that all of the ladies wanted to see  
And I was the one all the fellas wanted to be  
(The bigger they come then the harder they fall when they're falling down)  
(The bigger they come then the harder they fall when they're falling down)

The hand is quicker than the eye  
And sometimes the truth ain't no better than the lie

But the hand is quicker than the eye  
Sometimes the truth ain't no better than the lie

Are you waiting for something better  
You think something gonna come your way  
You never was gonna stick around  
You never meant to stay  
I see you looking and you keep on staring at the front door  
But I hope you find what you're looking for  
(The bigger they come then the harder they fall when they're falling down)  
(The bigger they come then the harder they fall when they're falling down)

The hand is quicker than the eye  
The truth ain't no better than the lie

I thought you were my lover  
I thought you were my friend  
How dare you find a lover  
Now I'm alone again  
You used to call me sweetheart  
You used to hold my head  
You'll get what's coming to you  
I'll get my sweet revenge  
Sometimes you'll find the situation ain't exactly what is meant to be  
You can't always believe in what you hear and everything that you see  
Keep your dear friends close and your enemies even closer  
Because not everything is gonna turn how you figuring that it's supposed to

The hand is quicker than the eye  
The truth ain't no better than the lie
