

When I Need You

Alpha Blondy

When I need you,
Just close my eyes and I'm with you
Nor that I so wanna give you
It's only a heart beat away
When I need love,
Hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and day

Miles & miles of empty space in between us
The telephone can't take the place of your smile
But you know I won't be travelling forever
It's cold out and hold out
And do like I do
When I need you,
Just close my eyes and I'm with you
Nor that I so wanna give you, baby...
It's only a heart beat away

It's not easy when the road is your driver
Honey that's the heavy load that we bear,
But you know
I won't be travelling a life time
It's cold out but hold out
And do like I do... Oh I need you

When I need love,
Hold out my hands and I touch love
I never knew there was so much love
Keeping me warm night and day
When I need you
Just close my eyes
and you're right here by my side

Keeping me warm night and day
I just hold out my hands,
And I hold out my hands
And I'm with you darling,
Yes I'm with you darling
All I wanna give you,
It's only a heart beat away

Yes I need you
It's only a heart beat away,
Oh I need you
