

## Come On

Alpine

Come on, come on  
Kindness seems to be  
Gettin' me nowhere  
Come on, come on  
Kindness seems to be  
Gettin' me nowhere

I'm avoiding being by myself  
I'm avoiding looking after myself  
I'm avoiding selfless love  
I can't help myself

Come on, come on  
Kindness seems to be  
Gettin' me nowhere  
Come on, come on  
Kindness seems to be  
Gettin' me nowhere

(Oh)  
In the night  
When I cry  
Could you hold me tight in your bed?  
(Oh)  
I'm vulnerable  
You are too  
Let's lie instead  
(Oh)  
In my lies  
In my lies  
In my lies

Come on  
I can move my own life  
Come on  
I can move my own life  
Come on (Free me, free me)  
I can move my own life (Free me)  
Come on (Free me, free me)  
I can move my own life (Free me)
