

Zutto shihaisare tsudzuketa yowaki mono no tamashii
Tsukamasareta fujiyuu
Sukoshi yume wo mita yasaki ni kowasareru nara
Itami sura kanjiru mae ni kono yo ni sayonara

Doko made mo tsukimatou shi no IMEEJI ga
Get away anyway kienai yo
Kodou ga owari wo motomeru
I've lost all faith in you
Seiki no tsumi to shinjitte

Setsubou mono ga tamari kara kimi no me wo sorashita
Wazukana kitai mo nai ni

What burns the most is that you lied
my heart is now dead and gone
Shakai ni mokusatsu sareta boku no ibasho wa nai

Doko made mo tsukimatou shi no IMEEJI ga
Get away anyway kienai yo
Kodou ga owari wo motomeru
I've lost all faith in you
Naki sakebu sora no shita de

Fuande nani mo mienaku natte
Dare mo shinjirare nakute mo
Mada kimi wo aishiteru
I wanna have hope in you
but nobody helps me

Doko made mo tsukimatou shi no IMEEJI ga
Get away anyway kienai yo
Kodou ga owari wo motomeru
I've lost all faith in you
Higeki no maku wa wareshite
