

Hit Me Like That Snare

Alt-J

I'm at the door at a quarter to four
Poppers popping baby might take some more
I'm fucking loose, you're gorgeous, I don't care
Come closer, baby, slap me like that snare

"Moon Shaped Pool" plays in the velvet cell
Green neon sign reading "Welcome to Hell"
Leather slings fall like oxygen masks
We're going down, fuck my life in half

School of magic, with brooms and wands
Pairs of people tugging like hungry dogs
For bone, baby, in the house of slithering
Floor full of happy wizards scissoring

I don't subscribe to your cultural norms
My church's doctrine has lost it's charm
Rise above the gloom of the jungle floor
Hit me like that snare, more, more, more

I don't subscribe to your cultural norms
My church's doctrine has lost it's charm
Family matters, I couldn't agree more
This is my family f*sting me on the floor

Regret my safe word, one to ten in Japanese
At the party, carpet burning my knees
Na na na na na na na na na na na
(ichi, ni, san, shi, go, roku, nana, hachi, kyu, jyuu)
Ichi, ni, san, go, roku, nana, hachi, kyu, jyuu
Ichi, ni, san, go, roku, nana, hachi, kyu, jyuu
[*Japanese Dialogue*]

We are dangerous teenagers
We are dangerous teenagers

Fuck you, I'll do what I want to do
Fuck you, I'll do what I want to do
Fuck you, I'll do what I want to do
Fuck you, I'll do what I want to do
