

## Beckoning Strings

Altered Images

Lying still  
Movement no more  
Until forever more  
I thought you didn't remember  
Until the sand ran out  
Until the sand ran out

You're just a puppet  
Suspended in mid-air  
Dictated by those  
Who pull your beckoning strings

Lying still

Until the sand ran out

Suspended in mid-air
