## Altered Images

I can see you  
In my memories  
Watching  
Everything I do  
When I walk  
When I talk  
You do too  
I can see you  
Taking over me  
Living my life  
Out for free  
When I walk  
When I talk  
You do too  
When I walk  
When I talk  
You do too  
Hidden  
Behind  
The idols  
You adore  
Tell me  
Tell me  
Tell me  
Which one  
Are you  
Today?
